Logan Rosson

Salt Lake City, UT | loganrosson@gmail.com | LinkedIn | GitHub | Portfolio

TECHNICAL SKILLS

Programming Languages: Python (pandas), R (dplyr, lubridate), SQL, HTML/CSS
Data & Software: Microsoft Excel (financial modeling, VLOOKUP), Tableau, ETL pipelines, LLM APIs
Salesforce: Administration, Flow Builder, Agentforce, Experience Cloud, Reports & Dashboards
IT Support: Help desk, Windows 10/11, Microsoft 365, network troubleshooting, EagleSoft server and endpoints

EXPERIENCE

IT Support Specialist *May 2025 – Present*
BKP Dental, West Valley City, UT

- Manage on-site IT for a 20+ person dental practice, resolving 10+ support tickets weekly and translating hardware, software, and network issues into clear steps for non-technical staff.
- Optimized EagleSoft server communication across 40+ endpoints, cutting latency for charts and imaging.
- Evaluate and integrate new hardware, including workstations, intraoral cameras, and digital scanners, verifying compatibility with existing infrastructure and maintaining 99.9% system uptime.

Peer Advisor *Sep 2026 – Present*
David Eccles School of Business, University of Utah, Salt Lake City, UT

- Guide undergraduates on degree sequencing, course selection, and on-time graduation requirements.
- Evaluate academic records and process transfer credits in line with university policy.
- Automated Salesforce check-in email alerts to advisors, replacing 50–100 manual Teams messages weekly.

Teaching Assistant, Principles of Finance (FINAN 3020) *Aug 2026 – Present*
University of Utah, Salt Lake City, UT

- Break capital budgeting and bond valuation into practical steps for students in a 300+ person course.

EDUCATION

David Eccles School of Business, University of Utah *May 2027*
Bachelor of Science (Honors), Information Systems | **Dean's List**
Coursework: Database Fundamentals, Business Analytics, Programming with Python, Networking and Servers; Spring 2027: Systems Analysis & Design, Artificial Intelligence in Business

PROJECTS

Automated Financial Data Pipeline (Honors Thesis) *Expected Apr 2027*

- Building an automated Python and R pipeline that cleans and standardizes unstructured financial data.
- Integrating an LLM API to classify records, then using R (dplyr, lubridate) to aggregate daily summaries.

Pronto: Account Takeover Response, Salesforce IDEAthon | GitHub *Oct 2026*

- Designed a Salesforce account-takeover workflow with a 3-person team: 10 Flows that route and escalate cases, an Experience Cloud report form, and an Agentforce service agent.

Student-Athlete Recruiting CRM, Salesforce–Eccles Ideathon *Sep 2025*

- Built a team Salesforce CRM for recruiting student-athletes; placed 6th and recognized for presentation.

LEADERSHIP & COMMUNITY

Officer, Finance & Internal Management – Sales Club, University of Utah *Oct 2026 – Present*

- Manage the club budget and pre-event sign-offs; track the event calendar and campus TV promotion.

Officer, Graduate Student Liaison – TEK Club, University of Utah *Aug 2026 – Present*

- Connect undergraduates with advanced degree programs and alumni through targeted outreach.

Team Leader – Tree Utah, Salt Lake City, UT *Dec 2022 – Present*

- Lead 50+ volunteers; coordinated Arbor Day 2024 with Mountain America and the SLC Mayor's Office.
