Logan Rosson

Salt Lake City, UT | loganrosson@gmail.com | LinkedIn | Profile: loganrosson.github.io

TECHNICAL SKILLS

Programming Languages: Python, R (dplyr, lubridate), SQL, HTML/CSS
Data & Software: Microsoft Excel (financial modeling, VLOOKUP), ETL pipelines, LLM APIs
Salesforce: Administration, Flow Builder Automation, Agentforce, Experience Cloud, Reports & Dashboards
IT Support: Help desk and end-user support, hardware deployment, EagleSoft server and endpoint support

EXPERIENCE

IT Support Specialist *May 2025 – Present*
BKP Dental, West Valley City, UT

- Manage on-site IT operations for a dental practice of 20+ staff, diagnosing hardware, software, and network issues and translating them into clear, actionable steps for non-technical users.
- Optimized EagleSoft server communication across 40+ endpoints, reducing network latency and speeding staff access to patient charts and imaging.
- Evaluate and integrate new hardware, including workstations, intraoral cameras, and digital scanners, verifying compatibility with existing infrastructure and maintaining 99.9% system uptime.

Teaching Assistant, Principles of Finance (FINAN 3020) *Aug 2026 – Present*
University of Utah, Salt Lake City, UT

- Provide individualized guidance to students in a 300+ student course on foundational finance concepts, including capital budgeting and bond valuation.

EDUCATION

David Eccles School of Business, University of Utah *May 2027*
Bachelor of Science (Honors), Information Systems
GPA: 3.89 since Fall 2024; 3.51 overall | **Dean's List**
Related Coursework: Database Design & Management, Business Data Analytics, Systems Analysis & Design, Financial Management, Artificial Intelligence in Business

PROJECTS

Automated Financial Data Pipeline (Honors Thesis) *Apr 2027*

- Building a Python and R pipeline that extracts, cleans, and standardizes unstructured financial data.
- Classifying records with an LLM API and aggregating daily financial summaries in R (dplyr, lubridate).

Salesforce IDEAthon: Account Takeover Response for Pronto *Oct 2026*

- Built an Experience Cloud site, an Agentforce agent, and 10 Flows that route and escalate account-takeover cases (team of 3): github.com/loganrosson/pronto-salesforce-ideathon

Salesforce–Eccles Ideathon, Design and Development Competition *Sep 2025*

- Designed and developed a custom CRM solution for the David Eccles School of Business Ideathon, placing 6th overall and earning top recognition from the judging panel for presentation delivery.

COMMUNITY ENGAGEMENT

Officer, Finance & Internal Management *Oct 2026 – Present*
Sales Club, University of Utah, Salt Lake City, UT

- Manage club budget allocation and pre-event signoffs; track the event calendar and TV promotion.

Officer, Graduate Student Liaison *Aug 2026 – Present*
TEK Club, University of Utah, Salt Lake City, UT

- Connect undergraduates with advanced degree programs and alumni through targeted outreach.

Team Leader *Dec 2022 – Present*
Tree Utah, Salt Lake City, UT

- Lead 50+ tree-planting volunteers; coordinated Arbor Day 2024 with the Salt Lake City Mayor's Office.
